

Vaccines for Children Program

2013-2014 Influenza Vaccine Pre-Order Form

This is your **ONLY** opportunity to PRE-ORDER Influenza vaccine through the Vaccines for Children program.

Section 191.235, RSMo, prohibits the administration of an immunization with more than one microgram of mercury per five-tenths-milliliter dose to knowingly pregnant women or children less than 3 years of age. Please order preservative-free vaccines for these individuals.

Indicate below the anticipated brand and dose amount that will be used during the 2013-2014 influenza season and return via fax or mail to the below listed address by **March 13, 2013**.
